

5 Ways to Support Literacy Skills at Home

- Turn on the captions while watching T.V. (*assists with vocabulary*)
- Your child makes predictions about what will come next in the text (*a valuable strategy to improve comprehension*)
- Fill your home with books of interest (*increase curiosity and enthusiasm to engage in reading*)
- Read books out loud (*enhances social connections and models fluency*)
- Reading journal entries (*child writes about what they learned improving their writing skills*)
